DUPLICATE CERTIFICATES

A duplicate certificate of registration can only be obtained upon sworn statement to the Association from the then recognized owner of the animal, that such certificate has been lost or destroyed, and upon payment of the applicable fee.

The name, animal identification, and registration number of the animal for which duplicate is wanted must be given. If that information is not obtainable, give name of breeder, sex, age and animal identification number.

These affidavit forms are free.

Request them from the Association only when needed, and when the request is made, specify the animal or animals for which it is to be used.

Duplicates always supercede the original. Thus if an original certificate is found after a duplicate has been issued, send the original to the Association for cancellation.
