All open heifers must be palpated to insure a sound, mature, reproductive tract. Open or exposed females must be guaranteed by the consignor to be breeders. Pairs and bred females will be considered breeders without further guarantee. (Buyer has until March 31, 2020 to have an accredited veterinarian check pregnancy status of bred females). A complete set of terms and conditions will be listed in the sale program to protect the consignor and the buyer.

ARRIVAL: Consignments must arrive at the sale facility NO LATER than 3:00 p.m. on Thursday, March 19, 2020. Females may arrive earlier than Thursday, but consignor must coordinate early arrival with sale management. Hay will be available and fed by sale management. (Cost of hay will be determined closer to sale date. You may contact sale management two weeks prior to sale date to confirm the price). You may bring your own grain, hay, and feed pans, if you wish; however, if you provide your own grain and hay you will be required to feed your own cattle. Sale management will be responsible for watering all cattle.

JUDGING: F1 females will be judged. Minimum pen size will be 5 head of grown cattle (not including calves). A Champion Pen of each F1 cross will be named as long as there are at least five (5) pens of five (5) head consigned by two or more breeders. Any F1 cross that comprises a major portion of the sale offering will, at the discretion of the sale management, be judged as pairs, bred, and/or open. Females will be judged according to quality, uniformity, and usefulness by a team of at least 2 and up to 3 commercial cowmen. Premiums will be awarded to champion pens. Judges and sale management will set the sale order and may re-sort cattle if they feel it will result in a better marketable group. Any animal that does not fit the group will be sorted out and sold as individuals or can be taken home by consignor. Judging will begin promptly at 9:00 a.m. on Friday, March 20, 2020. If a group qualifies for judging, a champion premium of \$500.00, reserve champion premium of \$250.00 and an honorable mention premium of \$100.00 will be awarded. If numbers dictate, sale management can modify these premiums. Brahman females will also be judged. Sale management, along with TBA representatives, will determine format. Honorable mentions will be awarded only if additional premiums from sponsorships are available. ABBA is responsible for securing the sponsorships for the premium monies paid to the consignor.

SALE ORDER: Sale order of the females will be determined by the judges and sale management. The sale order will be available late Friday, March 20th. The top end of the registered Brahman consignments will be sold earlier in the sale.

MISCELLANEOUS: Sale management would prefer that the consignor have their cattle sorted the way they want them to be sold and have ear tag numbers written down as a group. It does not matter how the cattle are loaded on the trailer, the sale management will sort cattle into their pens when unloaded. A list of the group numbers is needed so use the attached Consignment Listing Form when you put in the ear tags and fax that form to: (979) 535-4445 or scan and email it to: milton@brokentriplecattle.com. This form is very important to the sale management and will help with stalling assignments and catalog information.

Consignors will be given names and addresses of buyers of their cattle and it will be mailed with sale proceed check. **SALE PROCEED CHECKS WILL BE MAILED WITHIN 15 BUSINESS DAYS OF THE SALE.** We expect to have a great sale. Have your cattle in good shape and ready to sell. This will result in an additional premium for your cattle. Saturday morning will bring folks interested in buying your animals. Be available to visit with prospective buyers and help sell your animal.

CATTLE IN MOTION will broadcast this sale online at www.cattleinmotion.com.
