INTERNATIONAL BRAHMAN SALE

MARCH 2, 2022

7:00 P.M. C.S.T.

NRG CENTER, EAST ARENA, HOUSTON, TX

Dear Brahman Enthusiasts:

We are extremely honored to invite you to the 2022 International Brahman Sale that will be held in conjunction with the International Brahman Show. This Brahman activity will be one that you will want to be a part of that includes quality cattle shows, fellowship opportunities and this elite sale. The sale committee has worked diligently to secure some of the most outstanding genetics from the most recognized breeders in the breed for this prestigious sale.

The American Brahman breed is experiencing one of its all-time highs in demand due to the influence the breed plays in the domestic and international cattle herds. While it is easy to sit back and enjoy this success we should continue to strive to improve and remain competitive. Purchasing proven genetics to incorporate into your program is a great way to ensure continued success. We encourage you to carefully study this sale offering and consider whether there is an animal that could have a positive impact on your program.

As in past sales, we have videoed the offerings for further inspection of the cattle. The videos and sale catalog can be viewed at www.brahman.org and www.cattleinmotion.com. If you are not able to attend the sale in person, we encourage you to view and bid online with Cattle In Motion.

On the day of the sale, the Pre-Sale Cattle Viewing begins at 4:30 & ABBA Meet & Greet Sponsored by Brushy Creek Custom Sires and Elgin Breeding Services 5:30 p.m. The sale will kick off promptly at 7:00 PM in the East Arena of the NRG Center.

If we can provide any additional information for the sale lots or can be of assistance, please contact the consignors directly or reach out to the ABBA Office at 979-485-5528.

Sincerely,
2022 International Brahman Sale Committee

TERMS & CONDITIONS

BIDDING: Each animal on which there are two or more bids will be sold to the highest bidder.

TERMS: All cattle will be paid for immediately after the sale. Checks must be made payable to the American Brahman Breeders Association.

SPECIAL TERMS: Due to this being a video sale not all of the consignments will be at the sale venue. If the purchased animals are not at the sale venue and able to be picked up immediately the seller will maintain the animal at no cost to the buyer for 10 days. Unless other arrangements are made between the buyer and seller after the 10th day the seller will begin charging the buyer \$5.00/day for care. Animals that are sold for export must be paid for at the time of the sale. It will be the responsibility of the purchaser of these cattle for export to make arrangements with the seller for the care of the animal after the sale. The International Brahman Sale will place the cattle in the care of the consignor for the new owner at the price of \$5.00 per head per day (paid by purchaser) until they are shipped.

DISPUTES: The auctioneer in charge will settle any disputes as to bids and his decision on such matters will be final.

HANDLING: As their sale is affected, all animals will be maintained at the purchaser's risk.

BREEDERS GUARANTEE: Every animal in this sale is, to the best of the breeder's knowledge, free from any disease and are all sound. Pregnant cows are considered breeders without further guarantee. If an animal fails to breed after a trial of six months, it may be returned to the seller in good condition. Seller reserves the right to try said animal for six months and if it proves to be a breeder, return it at the buyer's expense. If the animal proves to be a non-breeder, an animal of comparable rank or credit on the purchase of another animal will be Offered.

HEALTH: Standard health certificates will be provided to the buyer. If animals are purchased for export the additional testing and health certificates are the responsibility of the Buyer.

ANNOUNCEMENTS: Announcements from the auction box will take precedence over the printed matter in this catalog and all other announcements.

LIABILITIES: All persons who attend the sale do so at their own risk and the International Brahman Show & Sale and sale manager assume no liability, legal or otherwise, for any accident that may occur. The International Brahman Sale accepts no liability for the animals after they are sold.

CONTRACT: The above terms and guarantee shall constitute a contract between the buyer and the seller of each animal sold.

TRANSPORTATION: Transportation of cattle can be arranged.

Donation Lots

Lot 1

REDSMITH SPARKLE MANSO 25/1

ABBA# 1035826 | 25/1 | 04.08.2021 | Open Heifer

+ JDH MR. MANSO 854/4	(+) JDH ATLAS MANSO 328/3

+S VENUS MANSO 409 (P)	MR. V8 1/4 (P)
	MISS DIAMOND A 53/1

We are honored to be able to consign the 2022 AJBA Donation Heifer with ALL of the proceeds going to be used to support the programs and events of the American Junior Brahman Association. We dug deep and are selling a show heifer that has already been hauled and ready for any junior or progressive breeder. Redsmith Sparkle Manso 25/1 is sired by our proven herd sire co-owned with Heritage Cattle Company, Mr. H Titus Manso 122/7. This great sire has gained interest from all who have seen him due to his superior build but more importantly proven and exclusive pedigree. Titus is sired by +JDH Mr. Manso 854/4 who sired champions around the world and out of +Lady H Principe Sweet Manso who has produced 45 offspring with many of them being breed influencers. The dam to Sparkle is a scurred female that was purchased from HM Cattle Co. that we are now using in our IVF program. Miss HMC 36/1 (S) is by LMC Polled Madison 133/0 who has sired many of the top performers in the ABBA Bull Test, donors for a number of operations, and most notably Polled Pathfinder. As you might expect from an outstanding heifer with such superior genetics Sparkle ranks in the top 15% of the breed for both Milk & Marbling EPD's adding additional production value.

Proven Show Heifer! Redsmith Beth Manso 23/1 has enjoyed a successful show career already picking up a class win in an ABBA Approved Open Show. Not only would Beth be ideal for a junior to show over the next year but she has the pedigree and performance to be a BIG time donor. The sire to Beth is Mr. H Titus Manso 122/7 who has drawn much interest due to his superior build and proven pedigree. Beth's dam is equally as impressive because of her proven production and genetic background. Lady H Lou Manso 17/7 is one of our young donors who in addition to Beth produced our many time show winning bull Redsmith Mr. Cayuga Manso 13/1. Our program focuses on cattle that fit all sectors of the industry and combine proven pedigrees, outstanding phenotypes, and breed leading performance. Beth checks all of these boxes as she has already been selected as a class winner, charts positive for the economically relevant traits of BW, WW, YW, Ribeye Area, & Marbling, and her pedigree contains six Register of Renowns and two Vanguard Sires. Don't miss this outstanding opportunity!

Most proven & freshest genetics in the breed! SRS MISS DIVA 247 has been a winning show heifer for the Swaner Family over her time in the show ring. Not only does she have the phenotype that appeals to judges but she is backed by one of the most proven and popular pedigrees in the breed. She is sired by Moreno Mr Rockstar 625 who is one of Moreno Ranches hottest sires due to the success of his progeny in the USA and globally! After a successful show career we began using Rock Star as well as sold limited semen packages on the bull. In his first calf crop he produced several class and division winners in ABBA Approved Shows as well as a \$11,000 female in the National Brahman Sale. As a result of this early success Rock Star has received as much attention as any bull in our lineup. The siring ability of Rock Star should come as no surprise as both of his parents have reached the Register of Renown due to their producing ability. Following in their footsteps, Rockstar will be going into the ABBA Register of Renown this year as the highest sire of those going on to this prestigious list. Diva's Dam is BB LP Enchanted Moment 910- the 2009 National Champion Female who is now one of the top-producing donors and proudly represents Moreno Ranches long list of proven donors. Her genetics are sought after in the states and internationally around the world! Don't miss out on this unique opportunity on one of the Brahman breed's most up and coming females!

Homozygous Polled Show/Donor Prospect

Every year we offer our very best in this prestigious sale, and this year is one that we are very excited for. Miss HMC Polled 170/1 (PP) is a HOMOZYGOUS POLLED female, meaning that 100% of her calf crop will be polled regardless of what you breed her to! We know this trait is extremely important from a breeding standpoint, and 170/1 offers so much more. She is an extremely thick made female with a lot of bone, depth of rib and foot size. We love how she carries her head, the feminine extension of her neck, and her level top line behind her perfectly placed hump. She is out of our very own Mr. HMC Polled 44/1 (P) "Magnum" who recently ranked as the #3 polled grey herd sire with the most registered progeny in 2021. His Australian exclusive semen rights was purchased by Crown JA Brahmans from Queensland, Australia and we are excited to see his calves hitting the ground and making an impact over there soon! The dam to 170/1 is Miss HMC Polled 73/1 (P) "Jenny" who is a favorite at our ranch because of the loads of natural muscle she has and her extremely level top line. We IVF aspirated 73/1 at just 12 months of age, and she produced several world class females, one being Miss HMC Polled 145/1, who can be seen on our show-string. We aspirated 73/1 again at 16 months of age resulting in this outstanding homozygous polled female, and she is now heavy bred proving her fertility and productivity as an embryo donor and natural breeder. Last but not least, Miss HMC Polled 170/1 (PP) is extremely docile, ranking in the top 5% of the breed for docility, she is halter broke, ready for the shows and to make an progressive impact on your breeding program!

HOUSTON, WE HAVE A PHENOMENAL FEMALE!

Herzog Cattle is built by tradition, bred for consistency, and born to stand-out. The Herzog family prides themselves in producing Brahman cattle who display unparalleled style, unrivaled structural integrity, and unmatched industry quality. Herzog Cattle bred the high-selling female in the 2020 International Brahman Sale, and now they're back in 2022 with another phenomenal female whose pedigree will leave your heart racing. MISS HC FAITH 151/1 is the first calf to hit the ground at Herzog Cattle sired by the 2020 National Champion Red Bull and 2021 International Grand Champion Red Bull, Mr. CBR "CUTTER" 667/8. Cutter has generated tons of excited throughout the Brahman breed and across the globe for his extraordinary power, unique balance, massive volume, and undeniable sound stride. He continues to gain popularity as a one-of-a-kind Red Brahman sire who offers an elite presence and distinguished pedigree sired by the globally known +MR WCC MAXIMUS ROJO 82/4. Cutter stems from a female who was the 2012 National Champion Gray Female and Junior National Grand Champion Gray Female, + MISS CBR VIVA 491/0, who goes back to +MR H MADDOX MANSO 684 and arguably one of the greatest Gray Brahman females of all time, MISS CBR "JUICY COUTURE" 422/7. Juicy remains the only Brahman female to win Reserve Supreme Champion Female at the San Antonio Livestock Show and Rodeo in 2009 and holds one of the most legendary show careers in the state of Texas. MISS HC FAITH 151/1 becomes even more intriguing when you study the maternal side of her pedigree from a dam who was the 2019 Reserve Grand Champion International Red Female, MISS WCC-6W "HARPER" 278/7. Harper is from the highly respected and proven 3X-HK MR. 966 "PARALLEL" and her dam, +MISS WCC GOSSIP GIRL 55/2, is a full sister to Maximus and the 2014 National Champion Red Female. Faith has 25 Register of Renown animals, five Vanguard Sires, two Vanguard Cows, and one Maternal Merit in her pedigree on the ABBA website. This fresh, feminine, extremely docile show heifer prospect is built by tradition, bred for consistency, and born to stand-out. She combines a picturesque presence and legendary genetic profile that will garner success in the show ring, and as a donor for generations to come. It is hard for the Herzog's to let go of such a tremendous female, which is why they would like to retain two IVF's. The individual who ends up with this heifer will be adding rare Brahman value and a legacy of Champions to their herd. There is no greater asset to success than FAITH.

There's always one female born that makes you squirm thinking about her leaving the ranch and Naomi fits that bill. Naomi is outstanding in her physical make-up and to top it off, she ranks in the top fifteenth percentile for yearling weight and weaning weight. Naomi sells docile, halter broke, and would make an ideal project for a young junior. The first thing that grabs my attention when studying Naomi is her expressive stifle, heavy muscled quarter, straight topline, and structural correctness. Even with those strong features, she doesn't give anything up as far as femininity and style. Study her video and you'll really appreciate her length and extension throughout body. Naomi travels very well and carries all that mass and power gracefully. She is sired by the 2018 Reserve National Champion, Mighty Mouse and out a daughter from the popular JDH Mr. Manso 49/6. That popular daughter from JDH 49/6 also produced our top selling bull in last year's bull sale. We can't say enough about the promise this young female possesses and undoubtedly bright future she will bring to her new owner. She's worth the money, folks.

What an opportunity here! Here's a chance to own some of the very best and hottest genetics to date. Here at LPC it is our main priority to breed brahman cattle that can work in any environment. We try to strive to breed sound structured, deep bodied and functional kind of cattle that will work for anyone's program. Check out this embryo package we are excited to offer y'all.

The sire to this embryo package is the very well known BRC Mr V8 279/7 (P) who is smooth polled and has been successfully used around the world creating outstanding offspring! BRC Mr V8 279/7 (P) is a own son of Elmo which is a very successful and well known herd-sire for the Locke Division of JD Hudgins Inc. His dam is the BRC Miss V8 510/6 cow who is a smooth polled and very attractive female that is one of BR Cutrer's top polled donors to date. The dam of these embryos is Miss V8 164/7 she is sired by the one and only JDH Karu Manso 800 who is very well known throughout the breed also being the sire of Mr V8 380/6 the Machine. The Dam of 164/7 is Miss V8 80/5 an own daughter of JDH Charley Manso 590/6 going back to one of V8 ranches most famous and influential cows Ms Claydesta. If your looking for an opportunity to own some of the best genetics in the breed don't miss out on this lot.

Selling three conventional embryos with a guarantee of one 60 day pregnancy if the embryos are put in by an accredited technician. If no pregnancy is achieved on the first three embryos one final embryo will be given.

Hagan 102/7 goes back to the notable +MS Claydesta 203-807US cow family that is arguably one of the best to ever graze the pastures at V8 Ranch. The Claydesta cow family has produced 11 Registered of Renown Females, three Registered of Renown Bulls, 19 direct sons, and 33 direct daughters for V8 Ranch. Miss V8 208/6 is the maternal granddam of Hagan 102/7 who produced +Mr V8 442/6, and she stems from +Miss V8 188/5 who holds a special place in the hearts of many in Gonzales, Texas. +Miss V8 188/5 is one of only two cows at V8 Ranch to produce multiple International Champion females including the 2002 International Champion Female, Miss V8 831/5, exhibited by Erin Hyman and the 2007 International Champion Female, +Miss V8 464/6, exhibited by Cotton Munson who was named the 2008 World Brahman Congress Champion for V8 Ranch and Carlos Lee. The depth and DNA of this offering doesn't get more valuable and this offering is rare. Don't miss out on these storied genetics because it might be the only time they're ever offered!

RARE GENETIC PACKAGE WITH INFINITE VALUE!

Houston Munson is a first-time consigner to the International Brahman Sale, but he and his family are known across the breed for their reputable show career, and legendary Brahman success. This extremely unique and valuable genetic package pulled from the heart of Munson's herd offers a bred recipient carrying a female pregnancy to the one of the most elite Red Brahman sires, +SRS MR. PASCO 812. As one of the world's most sought-after Red Brahman sires, Pasco 812 is a Vanguard sire proven for producing cattle with sound structure, extra power, noteworthy breed character, and that Swaner Brahmans style that delivers both show ring and pasture standouts. He has produced a record of Champions including the National and International Champion, +CT Lady Pasco 1/13, who was also named the Champion of the World for Troy Thibodeaux, Owner of Circle T Cattle. Pasco 812 also sired the high-selling female from the 2020 International Sale, Miss HC Hope 117/9, from Herzog Cattle and his semen brought \$11,000/straw the only time it was ever offered in a public auction. The value of this offering increases when you study the maternal side of the pedigree with a dam who is an incredible, young female from the Munson herd, Hagan 102/7. She is built by a stacked

CHAPARRAL RANCH AND MOONSHINE RED BRAHMANS are extremely fortunate to participate in this magnificent event at the HLSR. We are presenting a once in a life time game changing opportunity. For any new or established Red Brahman breeder, our Donor 171 PUMKIN had a tremendous show life and what makes her more special is being one of the best SRS Pasco 812 females ever not forgetting her Dam is Full sibling to World Renown RHINEAUX 8/9. Considering this potential we decided to go with her over the Top combining her with most Powerfull sire at this moment on the industry TJF SMOKING GUN. For your consideration a FEMALE 90 DAYS PREGNANCIE it is offered on this exceptional lot. Move forward and take advantage of many years behind this match this kind is the Kind.

We are very excited to be offering an embryo out of one of our finest females, MS Casaray RR Maxy 11/110 x SRS Pasco 812 which is one of the most proven sires in the Brahman breed. This impressive bull was named as the 2006 Reserve National Champion, and is part of the Register of Renown program due to the success of his progeny. A limited amount of semen was collected and as a result only 51 calves have been registered with many of these being show winners.

It is a privilege for us to present this great heifer MS Casaray RR Maxy 11/110, with a great future as a donor, with lines of champions through Dam +Ms Chaparral 114 and sire MR WCC Maximus Rojo 82/4. Her dam +Ms Chaparral 114, a cow that needs no introduction, gained many championship titles in the show ring and has now gone on to produce some of the most well-known animals being exhibited and used in the breed to this day! Her impressive progeny include 2017 ABBA National Grand Champion Red Bull Mr Chaparral 137 "Hoss" and 2019 Bluebonnet Kickoff Classic Grand Champion Red Female Ms Chaparral 144 "Sister". 114 is sired by the infamous +Mr Winchester Magnum 999/3 and is out of our esteemed foundation female, +Ms SS 134. These genetics have proven to be a success not only for our herd, but for other families throughout the Brahman breed as well!

Her Sire, MR WCC Maximus Rojo 82/4 is known as a leading red sire in the Brahman world and his progeny have dominated here in the United States and across the globe. At Houston 2020 he was the #1 sire of champions and will officially enter ABBA's coveted Register of Renown program in 2021. Currently his semen is not available for purchase in the US with the exception for this online offering.

The recipient is due August 01, 2022 and it is at Rodriguez Cattle Services in Centerville, TX.

Well folks here it is! One of the strongest sets of pure Red Embryos that you will be able to find on the market. This match you can consider to be one of the most solid genetic packages ever. 3 conventional frozen grade #1 embryos sired by the world Famous +SRS PASCO 812 and out of Juan Restrepo's most productive Donor, Miss HK Garota Visa 996. Pedigrees on this match have the best of the 3X bloodlines going along with the best HK. Not to mention Pasco by 3X Millionaire 56 and the Garota cow sired by Visa 275 (PASSPORT 777). On the bottom side, her dam is a double bred 3X Red Dynasty 50, a bull who no doubt is on the top side of many great Sires. 996 proved herself not only in U.S., but has also already shipped 10 offspring to ASIA and Frozen Embryos to Central and South America. This is a true once in a life time offering by CASARAY RANCH.

+ MISS V8 663/6

If you are a progressive Red Brahman breeder and looking for a performance packed, dark red show heifer, that is backed by a proven pedigree then give PCC Xciting One 3/1 serious consideration. It is easy to appreciate the growth, eye appeal, volume, and femininity that this female offers. Not only does she have a striking look but offers an interesting pedigree. Her dam was a former show heifer who had a great career with numerous wins including being named as the Reserve Senior Champion Female at the Houston Livestock Show & Rodeo Junior Show. Study the pedigree of her dam and you see that she is double bred (+)JDH Karu Manso 800 and +Mr. V8 901/4 who are two of the most influential sires in the breed and combines two of the most proven donors for V8 Ranch to include +Miss V8 663/6 and +Miss V8 209/6. As might be expected out of such a superior dam 3/1 ranks in the top 10% of the breed for Growth, 50% for Milk EPD, 25% for Ribeye Area EPD, and 2% for Marbling. The sire to 3/1 is HK Mr. X-Ray who has been one of the most widely used sires of the past two years due to the success of his progeny and genetic influence. We think PCC Xciting One 3/1 could be a big time breeding piece in the expansion and improvement of the breed. Phillip Cattle Company is retaining two aspirations to be done in the future.

Miss RHR 3/21 combines the most proven and popular genetics in the breed today! Not only does this gentle female come with a stacked pedigree, but look at her rib shape, structure, muscle, and femininity. The dam to 3/21 is Miss V8 518/6 who was a donor for V8 Ranch and now KI Cattle. She has raised multiple herd sires and females for both ranches. The sire to Miss V8 518/6 is the great JDH Karu 800 who needs no introduction. The sire to this phenomenal heifer selling is Mr. V8 191/7 who sires very long bodied, up-headed, muscular, thick, eye appealing, and gentle calves, as you can see by this daughter. 191/7 is also the sire of the 2017 Houston Grand Champion Bull, Mr. V8 604/7, "Man of Steel." 3/21 provides a great opportunity for a Jr. looking for a show heifer or a progressive breeder looking for a potential donor.

Polled Brahmans are the new thing, especially a good one! Finding a good solid red polled Brahman is not impossible, but it's dang hard to find one with a star studded pedigree.

This embryo lot has that STAR STUDDED pedigree. This year we have decided to offer our best in our first appearance in a public auction!

We here at Vondenstein Family Farm & Ranch have decided to offer three Sexed IVF embryos off of one of our top donors, CT Elise Poppeaux 6/0 (P). Elise Popeaux has had a great career in the show ring and is still showing today! She was a selected grand or reserve division champion at most shows that she has attended. Elise Popeaux pedigree is stacked! Her sire is the well known LMC LN Polled Pappo 136/6 (P) who has made a name for himself across the Brahman breed as a homozygous polled red Brahman bull that packs on the pounds! Elise Poppeaux's dam is also a hard hitter, CT Ms Smokin Captain. She has numerous big names in her pedigree such as TJF Smoking Gun, SRS Captain Red Legs, CT Lady Rhineaux Ray and many more!

These embryos are sired by the famous M2 BRC CAPTAIN 518/1! BRC Captain is a top leading sire B.R. Cutrer and one of the most popular AI sides for them in 2021! BRC Captain is a V8 191/7 son and off of the Miss V8 645/6!

With all that said, these embryos are TOP NOTCH! This mating will be red, possibly polled and all heifers!

This cattle business is like going to the casino and gambling everyday, but purchasing these embryos are a sure shot at hitting the jackpot!

We are guaranteeing one 90 day pregnancy if put in by a certified embryo technician. Embryos are stored at Trans Ova Genetics!

With as much excitement and attention that Mr. MCC Polled Smoke (P) recently brought to the Brahman world, we thought no further but to offer full-sib embryos for this prestigious International sale. TSR Jenny Tasco 89/5 has become one of our top donors with her first progeny being that in itself Mr. MCC Polled Smoke and a full sister that might be just as good. She is a easy keeper, has a terrific udder and most importantly a consistent breeder year in and year out. 89/5 is sired by JDH Rodrigo Manso who has produced the best cows in our Mowata herd. 89/5 is a granddaughter to the great JDH Madison de Manso.

The combination of +S Polled Negro 626 (P) has been terrific with the 89/5 cow. He is a son of the famous black and polled bull JME Mr Suva Crat 225 (P). Polled Negro is backed by a powerhouse of a cow and the 2010 International Champion Gray Female, Lady H Lisa Manso. Many people talk about cow families and Lisa undoubtedly carries her legacy on with this mating. The guesswork is already done for you, buy with confidence and don't miss out! Both full sibs to these embryos have been black and polled.

Who wouldn't want a Polled Smoke?!

We are offering three conventional embryos. Guarantee one 90-day pregnancy if work is done by a certified technician. An additional embryo will be given if not successful. Embryos are stored at Trans Ova.
