GUIDELINES & INFORMATION

SALE: 2023 ABBA National F-1 Female & Bull Sale

WHEN: Saturday, April 1, 2023; 1:00 p.m.

WHERE: Brazos Valley Livestock Commission; Bryan, Texas

SELLING: ABBA Golden Certified, Certified F1, F1 Plus; Registered Brahman and Purebred Brahman Females, suitable for Brahman or F1 production; Registered and Purebred Hereford and Angus Females; 30 select registered bulls (10 each of Brahman, Hereford and Angus).

F1 FEMALES AND F1 PLUS FEMALES: All F1 Females MUST be Golden Certified or Certified prior to arriving at the sale facility. F1 Females can be certified through the certificate or ear tag option. F1 Plus Females must be out of ABBA Golden Certified or Certified F1 Females and must have been certified through the ABBA F1 Plus Certification Program. Young first exposure or first calf females (2nd or 3rd calving females are accepted if their reproductive status is acceptable to most commercial cattlemen). Open females are recommended to be at least old enough, large enough, well-grown out and in sufficient flesh to breed.

CERTIFICATION: All F1 Females certified through the certificate option must submit the original certification papers to sale management at the sale facility at time of check in or cattle will not be sold. A copy of the certification papers must accompany the nomination form. This will help sale management prepare for the sale. Ear Tag Option F1 females must have a golden certified or certified tag in their right ear. F1 Plus females must have a F1 Plus tag in their right ear. Contact the ABBA office in Bryan, Texas for your certified ear tags.

BRAHMAN FEMALES: Young registered or purebred females and/or older females that have not reached their seventh birthday. Females must be in good condition, sound of limb, udder and teats. Females must be born on or before July 1, 2022 and cannot be born before May 1, 2018. Please contact sale management for acceptable ages of halter heifers. All Purebred Brahman Females will be observed by at least 1 “screener” to determine acceptance as an F1 Program “Qualified Cow” and will be automatically enrolled as a “Qualified Cow” in the F1 Program for the buyer of that animal. Any animal not accepted by the “screener” will not be allowed to sell. Fees will be assessed.

HEREFORD AND ANGUS FEMALES: Registered and purebred Hereford and Angus females will be accepted for this year’s sale. They must be at least 10 months old and not older than 3 years old. Any 3 year old females must be bred with second calf or have a second calf at side. Purebred females will be observed by at least 1 “screener” to determine if they qualify to be enrolled in ABBA’s F1 program. Fees will be assessed to seller.

BULLS: A maximum of 10 each of Brahman, Hereford and Angus bulls will be sold. They must be registered, breeding age, virgin bulls with a satisfactory breeding soundness exam and a virgin bull certificate. In addition, all bulls must be tested negative for TRICH. These bulls need to be suitable for commercial production. EPD’s and birth weight information will be required. All bulls will be screened by sale management or at least 1 screener. The maximum number of bulls will be 10 of each breed. Sale management can choose to sell less than 30 bulls if they do not meet the above requirements.

REGISTRATION PAPERS: All original registration papers must be given to sale management at time of nomination.

NOMINATION DEADLINE: Deadline for nominations is March 17, 2023. If you would like to receive a form by mail, please use the contact information below to request a form. Please adhere to this deadline so that information for your consignment may be included in all advertisements or website ads.

****REMEMBER**** All consignors must have their 2023 ABBA Activity Fees and F1 Administration Fees paid by entry deadline of March 17, 2023. No money will be held from proceeds checks to pay these fees or dues.

****INSPECTION:**** Consignors must send in pictures or videos of their cattle with completed consignment forms, or schedule a live inspection of consigned cattle, prior to any "sale ear tags" being released. Pictures or videos of cattle will qualify as an inspection. Pictures and videos will also be linked to cattle information for virtual pre-sale viewing.

EAR TAGS: Sale management will issue numbered "sale ear tags" for each consignment. Identification on your health certificate should be the "sale ear tag" number and your fire brand/tattoo number/metal tag number. "Consignee" on your health certificate will be 2023 ABBA Sale, Bryan, Texas. These numbered tags should be placed in the left ear. Branded females do not need a metal ear tag, but brand number must be listed with ear tag number.

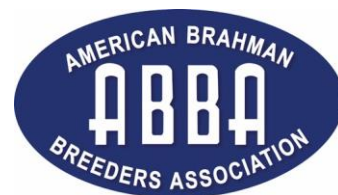

SALE CHARGES: F1 Females, F1 Plus, Registered and Purebred Brahman Females, Registered and Purebred Hereford and Angus Females -- \$20.00 (non-refundable) nomination fee per head plus 6% commission on the gross sale price, and a \$6.00 "Qualifying Cow" fee per head on Purebred/Non-Registered Females. Registered Brahman, Hereford, and Angus Bulls -- \$20.00 (non-refundable) nomination fee per head plus 10% commission on the gross sale price. Additional charges for Beef Check Off (\$2.00 per head).

PASS OUT/BUY BACK FEE: Pass out fee of the full commission will be assessed on any cattle not sold. No cattle can be passed out after the sale. Sale management will discuss with each consignor their price expectations. Sale management would prefer to handle any pass outs.

HEALTH REQUIREMENTS: Each consignor will comply with applicable rules and regulations of the Texas Animal Health Commission (TAHC). Upon arrival at sale facility, the consignor must present to the office staff, the original Official Health Certificate of the Texas Animal Health Commission (or State of Origin) issued within 30 days of sale date (March 1, 2023) by an accredited veterinarian for each animal consigned to the sale. If you are an out-of-state consignor, please have your veterinarian contact the Texas Animal Health Commission for up-to-date requirements to enter and sell cattle in the State of Texas, in addition to the following requirements.

- No brucellosis or TB tests required. All cattle must have a metal ID tag, TAHC RFID tag or a permanent brand # and metal tag or brand # must be listed along with the ear tag # on the health certificate.
- All females must be an Official Brucellosis Calhoo Vaccinate. Vaccination tattoo must be readable in the ear and indicated on the health certificate. If Tattoo is not readable there is a re-tattoo procedure for your veterinarian to follow to re-tattoo your females.
- NO NON-VACCINATES WILL BE ACCEPTED FOR THIS SALE.
- Indicate on health certificate if female has a calf at side.
- If cattle are from a brucellosis or TB free herd, please list that number on health certificate.
- Bulls must be virgin, fertility tested, and trich tested negative.

PALPATION REQUIREMENTS: Females must be palpated to be sold as bred and the approximate number of months bred must be listed on health certificate with corresponding ear tag #. All open heifers must be palpated to insure a sound, mature, reproductive tract. Open or exposed females must be guaranteed by the consignor to be breeders. Pairs and bred females will be considered breeders without further guarantee. (Buyer has until May 26, 2023 to have an accredited veterinarian check pregnancy status of bred females). A complete set of terms and conditions will be listed in the sale program to protect the consignor and the buyer.

ARRIVAL: Consignments must arrive at the Brazos Valley Livestock Commission NO LATER than 3:00 p.m. on Thursday, March 30, 2023. A limited amount of hay may be available and from sale management. Cost and charges will be based on the hay cost to ABBA at the time of the sale. You are encouraged to bring your own grain, hay, feed pans and small water tubs; however, if you provide your own grain and hay, you will be required to feed your own cattle. Sale management will be responsible for watering all cattle.

JUDGING: F1 females will be judged. Minimum pen size will be 5 head of grown cattle (not including calves). A Champion Pen of each F1 cross will be named as long as there are at least five (5) pens of five (5) head consigned by two or more breeders. Any F1 cross that comprises a major portion of the sale offering will, at the discretion of the sale management, be judged as pairs, bred, and/or open. Females will be judged according to quality, uniformity, and usefulness by a team of at least 2 and up to 3 commercial cowmen. Premiums may be awarded to champion pens. Judges and sale management will set the sale order and may re-sort cattle if they feel it will result in a better marketable group. Any animal that does not fit the group will be sorted out and sold as individuals or can be taken home by consignor. Judging will begin promptly at 9:00 a.m. on Friday, March 31, 2023. If a group qualifies for judging, an overall champion premium of \$500.00 will be awarded. If numbers dictate, sale management can modify these premiums. Brahman females and all bulls will also be judged. Sale management will determine format.

SALE ORDER: Sale order of the females and bulls will be determined by the judges and sale management. The sale order will be available late Friday, March 31, 2023. The top end of the registered Brahman consignments will be sold earlier in the sale.

MISCELLANEOUS: Sale management would prefer that the consignor have their cattle sorted the way they want them to be sold and have ear tag numbers written down as a group. It does not matter how the cattle are loaded on the trailer; the sale management will sort cattle into their pens when unloaded. A list of the group numbers is needed so use the attached Consignment Listing Form when you put in the ear tags and email it to: abba@brahman.org. This form is very important to the sale management and will help with stalling assignments and catalog information.

Consignors will be given names and addresses of buyers of their cattle and it will be mailed with sale proceed check.
SALE PROCEED CHECKS WILL BE MAILED WITHIN 15 BUSINESS DAYS OF THE SALE.

CATTLE IN MOTION will broadcast this sale online at www.cattleinmotion.com
