WWW.BRAHMAN.ORG

Welcome

Dear Brahman Enthusiasts:

I am extremely honored to invite you to the 2023 International Brahman Sale that will be held in conjunction with the International Brahman Show. This Brahman activity will be one that you will want to be a part of that includes quality cattle shows, fellowship opportunities, and this elite sale. I have worked diligently to secure outstanding genetics from some of the most recognized breeders in the breed for this prestigious sale. This offering will consist of show heifer prospects, pregnant recipients, aspirations, and a semen package that combines some of the breed's most proven genetics.

The American Brahman breed is experiencing a strong demand due to the influence the breed plays in the domestic and international cattle herds. While it is easy to sit back and enjoy this success we should continue to strive to improve and remain competitive. Purchasing proven genetics to incorporate into your program is a great way to ensure continued success. I encourage you to carefully study this sale offering and consider whether there is an animal that could have a positive impact on your program.

As in past sales, we have videoed the offerings for further inspection of the cattle.

The videos and sale catalog can be viewed at www.brahman.org and www.cattleinmotion.com. If you are not able to attend the sale in person, we encourage you to view and bid online with Cattle In Motion.

On the day of the sale, the Pre-Sale Cattle Viewing & Party will begin at 5:30 PM and the sale will start promptly at 7:00 PM. All of the sale activities will be held at NRG Center (the same venue as the show) with the actual sale being held in the East Arena.

If I can provide any additional information for the sale lots or can be of assistance, please contact me at 713-202-1747 or the consignors directly.

Sincerely,

Chris Shivers ~ Sale Manager

TERMS & CONDITIONS

BIDDING: Each animal on which there are two or more bids will be sold to the highest bidder.

TERMS: All cattle will be paid for immediately after the sale. Checks must be made payable to the American Brahman Breeders Association.

SPECIAL TERMS: All live animals selling will be at the sale and sold via video. The pregnant recipients will not be at the sale venue but can be picked up immediately after the sale. The seller will maintain the recipient at no cost to the buyer for 10 days. Unless other arrangements are made between the buyer and seller after the 10th day the seller will begin charging the buyer \$5.00/day for care.

Animals that are sold for export must be paid for at the time of the sale. It will be the responsibility of the purchaser of these cattle for export to make arrangements with the seller for the care of the animal after the sale. The International Brahman Sale will place the cattle in the care of the consignor for the new owner at the price of \$5.00 per head per day (paid by purchaser) until they are shipped.

DISPUTES: The auctioneer in charge will settle any disputes as to bids and his decision on such matters will be final.

HANDLING: As their sale is affected, all animals will be maintained at the purchaser's risk.

BREEDERS GUARANTEE: Every animal in this sale is to the best of the

breeder's knowledge free from any disease and are all sound. If an animal fails to breed after a trial of six months, it may be returned to the seller in good condition. Seller reserves the right to try said animal for six months and if it proves to be a breeder, return it at the buyer's expense. If the animal proves to be a non-breeder, an animal of comparable rank or credit on the purchase of another animal will be offered.

HEALTH: Standard health certificates will be provided to the buyer. If animals are purchased for export the additional testing and health certificates are the responsibility of the buyer.

ANNOUNCEMENTS: Announcements from the auction box will take precedence over the printed matter in this catalog and all other announcements.

LIABILITIES: All persons who attend the sale do so at their own risk and the International Brahman Show & Sale and sale manager assume no liability, legal or otherwise, for any accident that may occur. The International Brahman Sale accepts no liability for the animals after they are sold.

CONTRACT: The above terms and guarantee shall constitute a contract between the buyer and the seller of each animal sold.

TRANSPORTATION: Transportation of cattle can be arranged.

Don't miss the opportunity to purchase an 8 month old heifer that is ready to hit the show road, backed by proven genetics, and offers a progressive genetic profile. Miss 4D Roxy 131/2 is sired by JDH Oscosh Manso 65 who is a top son of the Maternal Performance Sire (=)JDH Mr. Amos Manso and a cow that is by the Vanguard Sire (+)JDH Liberty Manso and out of a Maternal Merit Cow. Oscosh has done 4D Cattle Company an outstanding job with his first two crops of calves. The dam to Roxy is a many time show winner for Lena Darby that among many other titles was named Reserve Intermediate Champion at the Ft. Worth Open Show. Lady H Vicky Manso 924/6 is the result of crossing the legendary sire with over 750 registered progeny +Mr. H Maddox Manso with Lady H Sue Manso 873 who has produced winners and breed influencers in the United States & Panama. To complete this AMAZING package Roxy charts positive for the economically relevant traits of Growth, Milk, Ribeye Area, and Marbling.

4L Cattle is bringing the HEAT with an outstanding show heifer that has the genetic backing to be a herd influencer. This red heifer results from some of the most proven and popular genetics in the breed. Her dam was the 2020 Reserve International Champion Red Female and ABBA Premier Red Show Cow of The Year; Lady L Madelina Rojo 341! Not only was Madelina a many time winner but is genetically superior being sired by +Mr. 3H X-Ray 825 and out of the National and International Champion & "Champion of the World", +CT Lady Pasco Rhineaux 1/13. The sire to this mating is HK Mr. America 280 who is a son of +TJF Mr. Smokin Gun 109/7 and out of the dam to +HK Magnetic. This genetic combination has only been offered three times before when two of the three brought over \$21,000. The work has been done, take advantage of this special opportunity!

GARRETT THOMAS: 903-609-6306

gthomas6306@gmail.com

If you are looking for a show prospect that has the right build, proven pedigree, and one of the most progressive genetic profiles in the sale then mark this lot as a must have! The dam to this elite female is CT Lisa Manseaux an award-winning daughter of +JDH Sir Shank Manso 51/7 who has literally sired winners at ALL levels and out of the Reserve International Champion +SS Ms. 230. It should also be noted that Lisa is a proven donor for us with 41 offspring to her credit including numerous show winners and top sellers. Offspring from Lisa have won major titles in Arkansas, Louisiana, Florida, and Texas over the past year in addition to her producing our 2021 National Sale consignment. The sire to Lottie is +Mr. V8 442/6 who was a successful show bull, a proven sire with two Reserve National Champion offspring to his credit, and one of the most performance oriented sires in the breed. It should also be noted that 442/6 died at an early age with limited semen being collected making this a rare opportunity to purchase his offspring. As you might expect based on this superior pedigree Lottie charts positive for 13 of the 16 measured traits. We are truly offering our best!

Proven genetics!! Before you even look at the pictures of the parents of the resulting calf in this pregnant recipient consider the genetic power in the first two generations. The dam to the resulting calf is Miss AT Amelia 949/1 who results from one of the most proven crosses for AT Brahmans that has produced show winners and sale toppers. Amelia is backed by the proven herd sire JDH Music Manso and the former show heifer and now leading donor Lady H Shayla Manso 295/2. The sire to the resulting calf is Mr. SNS Omaha 273/6 who was a former show winner, a major AI sire leased by ST Genetics, sire of the 2018 International Sale High Seller and most importantly a sire of multiple show winners to include division champions at the Kick Off Classic, LA Sugar Classic & the Ft. Worth Junior Show. Mr. SNS Omaha 273/6 is sired by the International Show Division Winner & one of the most performance-oriented sires in the breed Mr. U4 Barrett Manso and out of a Satterfield Ranch donor. Now look at the powerful phenotypes of the two parents and you must be convinced of the heavy structure, deep body, and eye appealing look that the resulting calf will offer. Recipient is due mid-April 2023.

SHANE BENTKE: 979-451-1525

Shane.bentke@capitalfarmcredit.com

Bentke Cattle Company pulled out all of the stops when they consigned this female that has a phenotype to be a show winner, an exclusive pedigree, and a progressive genetic profile. You can see the superior build of this female, but we want to make sure that you understand the genetic power that she offers. Her dam is +Lady H Emma Manso 288/2 who was first recognized when she was named as the 2013 All American Grand Champion. 288/2 went on to produce an International Champion Female as well as three more-point earners which propelled her to #17 in the ABBA Register of Renown. The sire to Jenny is M2 BRC Captain 518/1 who has been one of the hottest sires of the past two years with many show winners and top sellers to his credit. Captain is sired by the Reserve International Champion Bull who sired an International Champion in his first calf crop, +Mr. V8 191/7, and out of +Miss V8 645/6 who has produced numerous champions and breed influencers. To complete this impressive package Jenny ranks in the top 30% of the breed for the essential performance traits of Growth, Milk, and Marbling EPD's while being in the top 1% for Ribeye Area.

DANNY & MARCIA CANDLER: 863-610-0001

candler1@embarqmail.com

If BLACK, POLLED, PROVEN, POPULAR, and REGISTER OF RENOWN all sound like something that you need in a sire then study this opportunity! For the past 16 years Candler Cattle Company has been successfully using +JME Mr. Suva Crat 225 (P) in their program to produce numerous show champions and the foundation of their polled program. Due to the success of the sire in a natural breeding situation and with limited progeny being shown he reached the ABBA Register of Renown making him one of the few polled sires to accomplish this feat. It should be recognized that this sire is an outcross to many of today's popular bloodlines and more importantly he charts superior for the genetic predictors of Birth Weight, Growth, and Marbling further adding value. The most recent claim to fame for 225 was his daughter that brought \$105,250 for 1/2 interest in the V8 Ranch Summer Sale. It should also be noted that a semen package from this bull recently brought \$4,600/straw validating his popularity. Due to limited semen availability 225 semen is NO LONGER on the market and will only be offered in special sales making this an exclusive opportunity. **PACKAGE INCLUDES THREE STRAWS OF SEMEN WITH A TOTAL OF SIX AI CERTIFICATES (ADDITIONAL CERTIFICATES CAN BE PURCHASED FOR \$100/EACH).**

sembrioca@gmail.com

It simply does not get any better!!! Casaray Ranch has assembled a genetic package that is proven and exclusive. Ms. Casaray HG Tessa 131/2 is a beautiful female with ideal color and breed character. She is sired by +SRS Mr. Pasco 812 who was a Reserve National Champion just before being lost to an injury which resulted in limited semen being collected. Due to the success of his first two calf crops Pasco reached the ABBA Register of Renown and produced +CT Lady Pasco Rhineaux who was a National Champion, International Champion and Champion of the World along with two other Register of Renown daughters. The last time that a straw of semen on Pasco 812 was offered it garnered \$11,000. The dam to Tessa is a full sister to the National Champion, Reserve International Champion, and ABBA Show Cow of the Year, CT Lady Lacey Rhineaux. It should be noted that Traci is the result of crossing the #1 Overall Register of Renown Bull & Cow and that her dam +CT Lady Rhineaux Ray produced the above mentioned +CT Lady Pasco Rhineaux with +SRS Mr. Pasco 812 making this a similar mating but enhanced with +Mr. V8 380/6. There is no question based on her phenotype, pedigree, and performance profile that charts positive for Growth, Milk, & Carcass EPD's that Tessa can be an addition to any upscale operation.

Fergcattle@gmail.com

Super gentle, well built, and backed by a $\frac{3}{4}$ HK pedigree is how you would quickly describe Ms. FC Joy 226/2. This dark red, super deep bodied, thick ended, and long made heifer has been shown by a junior exhibitor this Spring. In addition to her physical characteristics Joy is sired by HK Visa Volunteer 244 who is one of the most proven sires for HK Cattle with many of their top sellers and a number of show winners to his credit. The dam to Joy is a daughter of 3X-HK Mr. 966 "Parallel" who has been one of the most widely used sires of the past four years following one of his daughters being named as the 2019 Reserve International Champion and a son being named Mexican National Champion. 5M Ms. Justa Diamond 814/8 was a former show heifer for Amie Ferguson during her junior show career and is now one of the main influencers in their progressive red program. Don't miss this opportunity to purchase a female that is ready to hit the show road and become a future genetic breeding piece.

GB Laura 7/2 is a halter broke female that is easy to get excited about based on her superior build, breed leading pedigree, and traditional performance values that rank in the top 1/3 of the breed. You have to appreciate the phenotypic completeness of Laura as she is growthy, heavy boned, deep ribbed, thick ended, long, level, and ultra-feminine. This build should not be surprising as she is sired by Mr. H Breaker Manso 103/7 who was a former show bull with division wins at both the National & International Shows. Following Breaker's successful show career he has become one of the breeds hottest sires due to the success of his offspring accumulating class and division wins in ABBA Approved Open Shows. The dam to Laura was purchased from AT Brahmans and combines +Mr. V8 458/7 "Noble", one of the most proven sires in the breed as validated by his offspring winning shows and topping sales, and a former show heifer and proven donor with 45 progeny to her credit. Don't miss this sale feature!

Proven show heifer!! Herzog Cattle is selling a classified red yearling heifer that has won her class three times over the past two show seasons. The show ring success of this female should not be surprising as she was bred that way. Her dam was selected as the 2022 International Brahman Show Reserve Senior Champion (Hallie was at her side). The dam to Hallie is the result of crossing +WCC Mr. Maximus Rojo 82/4 with a daughter of +Mr. H Maddox Manso 684 which is the same cross that created "Cutter" and many more winners. The sire to Hallie is Mr. V8 616/7 who is a son of the Reserve International Champion and proven Register of Renown Sire +Mr. V8 191/7 and out of +JDH Lady Jennessa Manso who was the foundation female for Mollie Cutrer's successful herd. One of the most well-known offspring of 616/7 is Mr. HC Basil 155/1 who has been a consistent winner with a National Show Division win to his credit. If you are looking for a proven show heifer that still has plenty of eligibility that is backed by some of the most prominent genetics in the breed give Hallie serious consideration. Herzog Cattle is retaining two aspirations to be completed after Hallie's show career at the buyers convenience.

HONDO & CAROLINE MARTINEZ: 956-735-3707

hmcattleco@yahoo.com

Miss HMC Polled 193/1 (P) is one of our POLLED genetic masterpieces that has taken 3 generations of meticulously planned matings to produce. This SMOOTH and DOUBLE POLLED female's polled trait can be traced back 10 generations in her pedigree. She is extremely thick with a lot of bone, depth of rib, and foot size. We love how she carries her head, the feminine extension of her neck, and her level top line behind her perfectly placed and well-defined hump. 193/1 is out of our very own Mr. HMC 86/1 (S) "Zeus" who was one of the few bulls to be on our show string. His pedigree consists of combining the +Mr. V8 191/7 bloodline, with a full sibling to +LMC Polled Passion. The dam to 193/1 is Miss HMC Polled 73/1 (P) "Jenny" who is a favorite at our ranch because of her perfect udder and proven production. We IVF aspirated 73/1 at 12 months of age when she produced several world class females including Miss HMC Polled 145/1 who can be seen on our show-string. We aspirated 73/1 again at 16 months of age resulting in several more phenomenal calves, one of which we sold in the 2021 International Brahman Sale for \$11,500. 73/1 was then naturally bred to "Zeus", resulting in this beautiful female, proving her fertility and productivity as an embryo donor and natural breeder. Miss HMC Polled 193/1 (P) is extremely docile, halter broke, ready for the shows, and to make a progressive impact on your breeding program!

How can you go wrong purchasing a pregnant recipient that should have a heifer calf sired by the reigning International Champion Grey Bull and is guaranteed to be polled?? The sire to the resulting calf is the 2022

International Champion Grey Bull JDH Rafiki Manso 893/7. Not only is Rafiki built right but is sired by JDH Jene Manso a proven sire with 281 registered

progeny to include JDH Massai Manso, JDH Turkana Manso, and JDH Sir Zadig Manso 918/6. The dam to Rafiki is a proven donor who calved naturally before her 3rd birthday and each year afterwards even while being aspirated, produced 15 offspring to include a J.D. Hudgins herd sire (full brother to Rafiki), and results from two performance-oriented parents. The dam to the resulting calf is Miss HMC Polled 103/1 (PP) a HOMOZYGOUS POLLED female meaning that 100% of her calves will be POLLED. 103/1 was the high selling lot in the 2021 National Brahman Sale and is sired by LMC LN Polled Pappo 136/6 (PP) one of the top polled sires globally. The dam to 103/1, Miss SRS Polled Katie (P), is an influential donor who produced four offspring that have fetched between \$20,000-\$37,000 over the past two years. The resulting calf will be born in late September 2023.

This female sexed pregnant recipient that is due in March 2023 combines the genetics of two of the most proven animals in the breed. HK Miss Garota Visa 996 has reached this status due to the success of her progeny, the large numbers of embryos produced, and her pedigree. Garota is sired by HK Visa Brasil and out of a female that is double bred +3X Torgsons Red Dynasty, the sire of +3X 40/2, 3X 30/2, 3X 20/3 and whose genetics are rarely available. 996 is a proven producer as validated by her progeny winning championships in the USA, Colombia, and Mexico over the past year. It should also be noted that she has 11 offspring that have been sold to Thailand or South America and her progeny averaged \$9,700 on 5 head in a recent sale. The sire of the resulting calf is +SRS Mr. Pasco 812 who was a Reserve National Champion before being lost to an injury which resulted in limited semen being collected. Due to the success of his first two calf crops Pasco reached the ABBA Register of Renown and produced +CT Lady Pasco Rhineaux, a many time champion and proven donor dam, along with two other Register of Renown daughters. The last time that a straw of semen on Pasco 812 was offered it garnered \$11,000. The opportunities do not get any better!

CONSIGNED BY...RHR CATTLE & K BRAND CATTLE

RYAN ROBINSON & DUDLEY KURTEN: 409-201-3555

Rrobi64090@aol.com

Interested in joining the popular polled movement? These two progressive operations are offering a female sexed pregnancy by one of the most popular sires in the breed and a many time award winning female! The sire to the resulting calf is +JME Mr. Suvacrat 225 (Polled) who is a proven sire by reaching the ABBA Register of Renown. The most recent claim to fame for 225 was his daughter that brought \$105,250 for ½ interest in the V8 Ranch Summer Sale. The dam to the resulting calf is Miss RHR 2/20 (P) who has been a many time winner including reserve division wins at both the 2021 National Brahman Show and All American. One of the strong suits of 2/20 is her pedigree that combines the National Champion +JDH Mr. Elmo Manso, the #1 Register of Renown Bull in the breed +Mr. V8 380/6, the National Champion and dam to "Noble" Miss V8 100/7, and +Miss V8 997/5 who has 88 progeny. It should also be noted that a flushmate to 2/20 sold for \$15,000 in the 2021 International Brahman Sale and another flushmate is the dam of the \$22,500 top seller in the Smith Brahman's online sale validating her genetic strength. Recipient will calf in September-October 2023.

CHRIS ALLEN: 214-725-6022

callen@resinresources.com

Full Sister to the 2016 Reserve International Champion - +LMC Polled Passion 55/4! When we purchased a 1/3 interest in LMC +S Polled Madonna for \$35,000 in 2020 we knew that we had to duplicate the same mating that made her popular. Madonna has produced 41 registered offspring with 25 of those resulting from crossing her with +LMC LF Polled Ambassador 700/7 one of the foundation polled sires in the breed who joined a short list of polled bulls to reach the ABBA Register of Renown. To validate the success of this mating, in the aspiration that created 16/1 we had 9 calves. We sold the pick of those calves to Call Mosley for \$16,000, a show heifer to Bobby Bryan for \$17,000, and a recent sale topper to Heritage Cattle Company for \$15,000. In our opinion 16/1 is the pick of the flush due to her being the growthiest, biggest boned, boldest ribbed, longest, and simply the most powerful. Based on her proven pedigree, superior phenotype, and balanced genetic profile we expect that Ms. Polled Sandglass 16/1 (P) should be an influential donor dam for any progressive operation.

Miss SC 380 Pasco 64/1 is a female that has already been shown successfully which should not come as a surprise resulting from her growthy & heavy structured build that is long, level, heavy muscled, and bold. Although you must appreciate the phenotypic superiority of this female it is her pedigree that gives her the maximum value. 64/1 is sired by +SRS Mr. Pasco 812 who was a Reserve National Champion before being lost at a young age with limited semen collected. Pasco has been a superior sire with the National & International Champion and Champion of the World who also produced a Reserve International Champion Female, +CT Lady Pasco Rhineaux, to his credit in addition to many others which helped place him in the ABBA Register of Renown. As a result of his progeny's showing success and demand the last time a straw of semen from Pasco was offered it brought \$11,000. The dam to 64/1 is a full sister to the National Champion, Reserve International Champion, and ABBA Show Cow of the Year, CT Lady Lacey Rhineaux, and the Reserve National Champion CT Ms. Nannie Mae Rhineaux 12/6. It should be noted that Traci is the result of crossing the #1 Overall Register of Renown Bull & Cow. As a result of her superior genetics 64/1 charts positive for the essential performance traits of Growth, Milk, Ribeye Area, and Marbling.

Satterfieldranch@aol.com

You know Satterfield Ranch is going to bring their best to this sale and they certainly did not disappoint! You have to obviously appreciate the phenotypic superiority of this female but study the genetics behind this opportunity. First, she is sired by the Reserve National Champion and now proven herd sire Mr. SNS Mighty Mouse 295/6. Mighty Mouse has created a strong following due to his powerful build as well as pedigree that contains two of the most proven parents in the breed. Don't stop reading yet as the best is still to come. The dam to Flynn is Miss SNS Ellis 920/7 who was a many time show winner that is owned with Phillip Cattle Company. Following her successful show career that included an International Show Class Win, Kick Off Classic Grand Champion, and numerous other titles Ellis has become a proven donor dam. It should be noted that Ellis is by the proven sire JDH Mr. Saxon Manso 824/4 and out of Miss SNS Montana 696/4 who was a successful show heifer that died with her first calf but not before she was virgin flushed, produced 6 calves, and reached the Register of Renown. The genetics don't come any more proven!

jsmit85@msn.com

Smith Brahman & Crooked Letter Farms have consigned a female that is a flushmate to their \$22,500 sale topper and has the quality to be a show heifer & future donor. Miss JS/CLF Polled Black Sash is a scurred, super deep bodied, ultra-feminine, and heavy muscled female. The sire to Black Sash is Mr. MCC Polled Smoke 14/9 (P) who was a show bull and one of the most popular black polled sires in the breed today. One of the valuable assets of Smoke is his pedigree that combines +JME Mr. Suva Crat 225 with the 2010 International Champion and dam of the 2022 International & National Champion Female, +Lady H Lisa Manso 947/7. The dam to Black Sash is a former show heifer that combines Mr. V8 733/7 (P) "Polled Phenom", a full brother to +Mr. V8 458/7 "Noble", and Miss V8 120/7, a daughter of +Mr. V8 380/6 and out of +Miss V8 997/6 who has 88 registered progeny. Miss JS/CLF Polled Aspen was the pick of the flushmates that also consisted of a \$15,000 International Sale feature and a National Show Division Winner. Don't miss this opportunity to purchase a female that is black, polled, and backed by outcross but proven genetics.

charityellis1@hotmail.com

Triple E Miss Mable 113 has been shown successfully by Aubrey Ellis over the past year. This female has been a consistent show winner and was named a Reserve Division Bred & Owned Champion at the competitive Texas Junior Brahman Show. There is no question that Mable is gentle and of superior phenotypic quality but of most importance is her pedigree and expected production. Mable is out of VL Elena 4/28 who was named as the Grand Champion Red Heifer at the Houston Livestock Show & Rodeo Junior Heifer Show as a calf. 4/28 has been a phenomenal producer with three daughters who have been point earners in ABBA Open Shows including a National Show Class Winner and one that was purchased by SH Ranch of Thailand. The sire to Mable is +Mr. 3X-HK Oro Rojo 800 who has sired numerous winners and breed influencers around the world to include a Reserve International Champion Bull in the USA. If you are looking for a red Brahman female that has the phenotype and pedigree to be an impact cow mark this one as a must have!

RARE describes this genetic opportunity! If you are a grey Brahman breeder do not miss the chance to purchase a female sexed pregnant recipient that is carrying an embryo resulting from one of the most proven sires in the breed and a many time show winner. The sire to the resulting calf is +JDH Mr. Manso 854/4 who was a many time show winner but most importantly a proven sire as validated by him reaching the ABBA Register of

Renown with winners in the United States, Mexico, and Australia. It should be noted that 854/4 is a full brother to the National Champion +JDH Mr. Manso 840 "The Graduate" as they are both sired by the Vanguard Sire (+)JDH Atlas Manso and out of a Register of Renown Cow. Only twice has semen on 854/4 been offered in the United States further adding value to this opportunity. The dam to the resulting calf is JDH Lady Manso 426/1 who was a consistent division winner and now a headlining donor for Triple H Cattle Company. 426/1 is sired by JDH Mr. Manso 16/1 and out of the many time champion and extremely popular JDH Lady Manso 139/1. The expected calving date of the recipient is in September 2023.

VF Miss Maya 12/2 is just an August baby that has been shown this Spring and ready for her best days ahead. Everyone who sees Maya comments on how nice she is due to her complete phenotype that combines, bone, volume, muscle, and femininity. To further compliment her superior build this female is backed by some of the most proven & popular genetics in the breed. Her dam is JLCS PCC Aussie Rhineaux who was a many time show winner including a Grand Champion title at the 2021 Louisiana Junior Brahman Association Summer Show. This show winner and now donor is sired by NCC Red Odyssey, an Australian bull sired by +JDH Mr. Elmo Manso, and out of a cow that combines +TJF Mr. Smokin Gun and the Reserve International Champion +CT Lady 380 Rhineaux. The sire of Maya is M2 BRC Captain 518/1 who is one of the most widely used sires in the breed due to the success of his progeny in the show ring and marketplace. Captain is a dark pigmented grey sire that combines the Reserve International Champion +Mr. V8 191/7 and a proven Register of Renown Cow which opens up the pedigree of Maya making her more versatile from a mating standpoint. We think this female is special!

CONSIGNED BY... WATKINS CATTLE COMPANY

STUART WATKINS: 512-460-7250

Watkins.stuart@gmail.com

Take advantage of this once-in-a-lifetime opportunity from the heart of Watkins Cattle Company. Miss WCC Solange 81/4 possesses a unique blend of the +JDH Elmo Manso 309/4 genetic line with +TTT Ms. Suva's Vernon 335 (+MK Vernon 349/1 X +Mr Fontenot 125) allowing one to maximize the use of practically any red Brahman sire. Like her flush mate and breed changer brother, +MR WCC MAXIMUS ROJO 82/4, Miss WCC Solange 81/4 has produced some of the most elite herd sires, replacement females and show ring winners for Watkins Cattle Company and Herzog Cattle. A past All American Grand Champion, this female has worked with a variety of sires. Her most recent notable offspring is Mr. WCC Viceroy Rojo 474/1 who continues to dominate the show ring and was named a Division Champion at the 2022 National Brahman Show. Miss WCC Solange 81/4 will enter the ABBA Register of Renown at the completion of the 2023 show season making all future progeny out of a Register of Renown Cow. With MAXIMUS semen no longer on the open market, this is your chance to continue one of the breed's most progressive and sought-after lines. Selling is one IVF procedure to be done at a mutually agreed on facility with a guarantee of 6 transferable embryos and at least one 90-day pregnancy.
