

2025 ABBA

INTERNATIONAL

BRAHMAN SALE

MARCH 5, 2025

NRG ARENA SALES PAVILION | HOUSTON, TX
8:00 P.M. C.S.T.

Brushy Creek Sires, a trusted provider of bull semen services today, announced that it has been acquired by Tyler Moon, DVM, a leading veterinarian in reproductive services.

Under new ownership it will be named Brushy Creek Sires, LLC. This strategic acquisition marks a significant milestone for the company. Under the new ownership, Brushy Creek Sires, LLC will continue its operations with a renewed focus on innovation, quality, and customer satisfaction. The acquisition by Dr. Tyler Moon presents exciting opportunities for Brushy to expand its product offerings and further strengthen its position as a market leader in bovine reproduction.

Dr. Tyler expressed enthusiasm about the acquisition stating, "We are thrilled to take over Brushy Creek Sires and embark on this exciting new chapter. Our plan is to continue to dedicate our time to the bovine community and deliver exceptional service to our customers."

Customers can expect business operations to continue without interruption, and there will be no immediate changes to existing products, services, or contracts. Brushy Creek Sires will be committed to providing the same high-quality services that customers have come to expect.

Brushy Creek Sires vision for innovation, customer-centricity, and bovine expertise will drive new opportunities for growth and advancement in the bovine industry.

2025 ABBA INTERNATIONAL BRAHMAN SALE

Dear Brahman Enthusiasts:

We are extremely honored to invite you to the 2025 International Brahman Sale that will be held in conjunction with the International Brahman Shows. This Brahman activity will be one that you will want to be a part of that includes quality cattle shows, fellowship opportunities, and this elite sale. The sale committee has worked diligently to secure outstanding genetics from the most recognized breeders in the breed for this prestigious sale. This offering will consist of haltered heifers (open & bred) that combine some of the breed's most elite genetics.

The American Brahman breed is experiencing a strong demand due to the influence it plays in the domestic and international cattle herds. While it is easy to sit back and enjoy this success, we should continue to strive in improving and remaining competitive. Purchasing proven genetics to incorporate into your program is a great way to ensure continued success. We encourage you to carefully study this sale offering and consider whether there is an animal that could have a positive impact on your program.

We have videoed the offerings for further inspection of the cattle. The videos and sale catalog can be viewed at www.brahman.org and www.dvauction.com. If you are not able to attend the sale in person, we encourage you to view and bid online with DVAuction.

On the day of the sale, the Pre-Sale Cattle Viewing will begin at 5:00 PM in the show ring make up arena in the NRG Center where the show is held, followed by the Meet & Greet/ Pre-Sale Party at 7:00 PM, and the sale will start promptly at 8:00 PM. Please note that the Meet & Greet and Sale are in the NRG Arena across the parking lot from where the show is held. To get to the sale you can either take the ABBA Shuttle from the back loading dock or the Rodeo Tram that be found at the south-east corner of the NRG Center.

If we can provide additional information for the sale lots or be of assistance, please contact the consignors directly or reach out to the Sale Manager Chris Shivers at 713-202-1747.

Sincerely,

2025 International Brahman Sale Committee

| TERMS & CONDITIONS |

BIDDING: Each animal on which there are two or more bids will be sold to the highest bidder.

TERMS: ALL SALES ARE FINAL. All cattle will be paid for immediately after the sale. Checks must be made payable to the American Brahman Breeders Association. Upon the sale of each lot there is a contract between buyer and seller and any misunderstanding, confusion, or dispute that may arise must be settled between buyer and seller. Sale management shall have no responsibility or liability.

DISPUTES: The auctioneer in charge will settle any disputes as to bids and his decision on such matters will be final.

REGISTRATION CERTIFICATES: The sale management will transfer the registration certificate to the new owner's membership with the American Brahman Breeders Association within 30 days of the sale.

CATTLE TO BE EXPORTED: Animals that are sold for export must be paid for at the time of the sale. It will be the responsibility of the purchaser of these cattle for export to make arrangements with the seller for the care of the animal after the sale. The World Brahman Congress Sale will place the cattle in the care of the consignor for the new owner at the price of \$8.00 per head per day (paid by purchaser) until they are shipped.

HANDLING: As their sale is affected, all animals will be maintained at the purchaser's risk.

BREEDERS GUARANTEE: Every animal in this sale is, to the best of the breeder's knowledge, free from any disease and are all sound. Pregnant cows are considered breeders without further guarantee. If an animal fails to breed after a trial of six months, it may be returned to the seller in good condition. Seller reserves the right to try said animal for six months and if it proves to be a breeder, return it at the buyer's expense. If the animal proves to be a non-breeder, an animal of comparable rank or credit on the purchase of another animal will be offered. If heifers are aspirated prior to being bred there is NO breeding guarantee. If cattle are purchased for foreign export, cattle are sold "As Is" and the buyer will take full responsibility of animal, unless prior agreements are made before final bid is made.

HEALTH: Standard health certificates will be provided to the buyer. If animals are purchased for export the additional testing and health certificates are the responsibility of the buyer.

TRANSPORTATION: Transportation of cattle can be arranged.

ANNOUNCEMENTS: Announcements from the auction box will take precedence over the printed matter in this catalog and all other announcements.

LIABILITIES: All persons who attend the sale do so at their own risk and the Houston Livestock Show & Rodeo, American Brahman Breeders Association, and sale manager assume no liability, legal or otherwise, for any accident that may occur. The American Brahman Breeders Association accepts no liability for the animals after they are sold.

Don't miss this one! We think this bred heifer that has been shown by J.D. Hudgins, Inc. is among some of the top to have ever been sold in this sale. JDH Aelin Manso 797/8 made the competitive J.D. Hudgins Show String in the fall of 2024 and picked up a second place finish at the Kick Off Classic. Although her show ring success validates her phenotypic superiority it is her exclusive pedigree that will appeal to most. The sire to 797/8 is the 2016 Reserve International Champion, JDH Sir Jacob Manso, who has winners around the world to his credit. The dam to 797/8 was sold in the 2016 International Brahman Sale for \$21,500 by J.D. Hudgins — Hudgins Division. Burt Forgason thought enough of Greta to purchase her back and she has been an outstanding producer based on quantity & quality of offspring. As might be expected based on the genetic excellence of 797/8 she boasts a progressive performance profile charting moderate for Birth Weight, ranking in the top 4% of the breed for Growth, and 15% for Milk EPD's. To further enhance this package 797/8 is bred 90 days to JDH Valentino Manso 538/8 #1053650. Seller is retaining two aspirations to be done at the buyer's convenience.

Lady H Hattie Manso 641/2 has been shown successfully over the past year. As you might expect from a successful show heifer, she is built right being heavy structured, deep ribbed, beefy, and ultra-attractive. Study the pedigree of Hattie and you see that she is sired by Mr. H Ocu Manso 936/6, a proven sire that has been used successfully in the USA, Central America, South America, and Africa. Ocu offers a stellar pedigree being sired by the proven Vanguard Sire (+)JDH Atlas Manso 328/3 and out of a former show winner and dam to the 2022 Reserve International Champion Grey Female. The dam to Hattie was purchased from D Bar Ranch and is sired by the 2015 International Champion and proven Register of Renown Sire Mr. H Eljah Manso 281/2 and out of a donor dam with 47 progeny, a flushmate to the Vanguard Cow \$Miss D Bar 766/1, and the dam to the 985/1 bull that was purchased by Nobbs Cattle Company & J.D. Hudgins. Based on her genetic excellence, the students of the breed will expect the progressive performance profile of Hattie that charts moderate for Birth Weight, in the top 20% of the breed for Growth, and 3% for Milk EPD's. To further add value to this impressive package, Hattie is confirmed pregnant 6 months to the exciting young herd sire Mr. H Lancaster Manso 585/2 #1053850.

WOW is all that you can say about this successful show heifer who is backed by the most PROVEN genetics in the breed and sells bred to the International Champion Moreno Mr. Rudolph 851 #969390 for a September 1, 2025 fetal sexed heifer calf! Moreno Ms. Lady Rema Capi has consistently placed in the top of her class picking up a second place finish at the 2024 National Brahman Show. The value in this female is found in her pedigree with her five year old dam already producing 30 progeny with many of them being show winners and accumulating National Show ET Produce of Dam and Breeders Group titles at the National, International, & World Brahman Congress Shows in 2024. +Moreno Ms. Lady Violet Manso is a clone to the 2015 International Champion Female, +LB Lady Violet Manso, who produced a Reserve International Champion Female with her first natural calf and was the dam to the 2024 World Brahman Congress Champion Bull. The sire to Moreno Ms. Lady Rema Capi is +SRS Mr. Captain Red Legs who was the 2006 Reserve International Champion. Following his successful show career Red Legs became a successful sire with the 2014 International Champion Red Bull, the 2015 National Champion Red Bull and 2016 ABBA Red Show Bull of the Year to his credit. It should also be noted that Red Legs is sired by the +3X 56 bull that has positively impacted the breed and out of the same dam as the 2018 Reserve National Champion and now proven sire SRS Joe Kid 185. Don't miss this opportunity to purchase a female that is phenotypically superior, backed by genetic excellence, and ready to go into production.

Selling our best! When asked to nominate a heifer into this premier sale we selected what we thought was the best one that we have produced in over 1,000 registered Brahman calves born on our farm. The first thing that pops out about Miss Circle F 65/3 is her attractive build that is heavy structured, deep ribbed, super long, beefy, and eye appealing color. This super gentle show ready heifer epitomizes our goal to produce cattle that fit all sectors of the industry. Study the performance profile of 65/3 and you will see that she ranks in the top 4% of the breed for Growth, 10% for Marbling, 20% for Ribeye Area, and 45% for Milk EPD's which culminates in her ranking in the top 1% of the breed for \$Bull Index & 3% for \$ Queen Indexes! The sire to 65/3 is Mr. V8 179/8 "Big Mack" who recently sired the 2024 Reserve National Champion Grey Female for V8 Ranch. 65/3 is out of our most proven Circle F branded female as validated by her embryo production and quality of offspring. No matter your objective we think that Miss Circle F 65/3 can fill the bill due to her combination of pedigree, performance, and phenotype!

Don't miss out on this genetic masterpiece who has been campaigned over the last two show seasons! Moreno Ms. Lady Riviana is a stylish, feminine, deep-bodied, and big-boned female that is backed by a PROVEN pedigree. The dam to Riviana is one of Moreno Ranches most productive donors as validated by her offspring accumulating 115 points in 2024 which includes numerous championship and ET Produce of Dam titles. It should also be known that Moreno Ranches \$20,000 consignment to the World Brahman Congress Sale who was recently named Calf Champion at the South Florida Fair is a maternal half-sister to Moreno Ms. Lady Riviana. +Moreno Ms. Lady Vivian is sired by the International Champion Mr. V8 604/7 "Man of Steel" and out of Moreno Ranches most influential grey donor with 133 progeny, +Miss B-F 201/9. The sire to Lady Riviana is Moreno Ranches many time winning show bull and now proven sire with point earning offspring, Moreno Mr. Rico, who results from the proven mating combining the 2017 ABBA Red Show Cow of the Year +Moreno Ms. Lady Rumbera 710 with the most proven sire in the breed based on show ring results +T.J.F Mr. Smokin Gun 109/7. To complete this package Moreno Ms. Lady Riviana charts positive for the essential performance traits of Growth, Milk, & Ribeye Area.

Madam TCC Don't Blink 58/4 is the result of a proven mating that has already produced the 2024 ABBA Show Cow of the Year, CT Ms. Madam's Pride "Penny", and a top seller in the Brahman at the Camellia Sale. The success of this mating should not be surprising when you see the influence both parents have independently. +CT Madam Boudreaux has 27 registered progeny with 11 of these being ABBA Show Point earners. A few of her most notable progeny are CT Gold Nugget 14/9, CT Ms. Madam Gypsy, CT Madam Marcia, and Madam TCC Spicy Margarita. The success of Madam Boudreaux should not be surprising when you realize that she is sired by +JDH Sir Shank Manso who has sired winners at all levels and her dam is the Reserve International Champion +Ms. SS 230. The sire to 58/4 is +Mr. H Pride of Maddox Manso 684/8 who was the 2021 International Champion and now a proven sire with the 2022 All American Reserve Champion Female and numerous other winners in the USA & abroad which all helped him achieve Register of Renown status. Not only have the Pride of Maddox offspring done well in the show ring but have been top sellers in the market place with a son and three daughters fetching over \$25,000 for ½ interest. To further add value to 58/4 she is progressive in her carcass values ranking in the top 15% of the breed for both Ribeye Area & Marbling EPD's. Don't Blink has the phenotype to be a potential show winner and the pedigree to be a cornerstone breeding piece.

4L Cattle is offering a six month old heifer that is easy to get excited about! This "show ready" female has the structure, body, growth, and color to be competitive. Although Lady L Rajika Rojo would be ideal to be campaigned don't overlook her pedigree. She is sired by Mr. L Smokin Madd 505 who was shown successfully on a limited basis but more importantly is a proven sire as validated by a son being selected as the Calf Champion in Ft. Worth and a daughter being named the Reserve Calf Champion at the Junior World Congress. Smokin Madd is the result of the proven mating combining +T.J.F Mr. Smokin Gun with the 2020 Reserve International Champion Red Female. The dam to Rajika Rojo is by the Reserve International Champion +JDH Astro Manso and out of Lady L Mia Rojo 383 who is best known as the dam to the many time winner Lady L Vidalia Rojo 552 and results from the signature cross that put 4L Cattle on the map. 4L Cattle is known to produce some of the most competitive and sought after cattle in the breed and we think Rajika Rojo can be added to that list.

Study this opportunity! For starters Miss JS/HH Polled Hazelle is the first offspring out of the 2024 Reserve International Champion, AT Miss Hazel 940/1. Although 940/1 enjoyed a successful show career she offers a proven pedigree, a progressive performance profile, and produces large numbers of embryos which should all instill her as a breed influencer. Hazel is a daughter of +Miss AT 510 "Skylar" who was one of the most influential cows in the AT Brahman herd due to her numerous champions, high sellers, and herd influencers. The sire to Hazel is the proven +JDH Mr. Music Manso who in last year's International Brahman Show ranked as the #8 sire for show points earned by progeny. The sire to Miss JS/HH Polled Hazelle is the Homozygous Polled LMC LF Polled Captain 126/7 (PP) who is the result of one of the most proven polled matings in the breed combining +Mr. V8 279/7 with the 2016 Reserve International Champion +LMC Polled Passion 55/4. This same mating has been duplicated 20 times producing some of the most influential and valuable polled animals in the breed globally. This 5 month old polled heifer is "show ready," well built, and backed by some of the freshest and most influential genetics in the breed!
